THE DAISES.

Ben. D. Bell,

Druggist, of Lexington, Ky., says that Dr. Hale's Household remedies (consisting of Dr. Hale's Household Cough Cure, Dr. Hale's Household Ointment and Dr. Hale's Household Tea) are the best sellers he has ever had in his store. This is owing to the great merit of these popular remedies. They invariably give great satisfaction, save many doctors' bills and work wonderful cures. Everybody should use them. 25 and 50c. sizes at Carpenter's South Side drug store.

Attention, Alliance.

The Franklin county F. & L. U. met in regular session, at Frankfort, the 4th Saturday in May and transacted business of importance to the Order.

I was requested by the President to have the following sent to the ROUNDABOUT for publication: WHEREAS, It is of great importance that every sub-union in the county be represented at the next meeting on the 4th Saturday in June, as officers are to be elected and other business transacted in which every Union will be interested, also the dues of 25 cents upon each male member must be paid to the County Secretary by July 1st.

I will ask what has become of Peak's Mill Union, with all of her splendor, and Leestown, with all of her talent. Now let us meet together as brothers, and we need not fear the result; for all reasonable and sensible people will acknowledge that we are non-partisan.

I am so convinced that the Alliance

principles are right that I will defend them at any place and upon any occasion. While this is my broad assertion, I have always been taught that truth will establish itself, and with this in view I have nothing to fear. Therefore, I challenge to debate any man on the principles of the Alliance. Any person desiring to debate should write to me so that we can select time and place. Those who are always opposing the Alliance will either accept this, shut up or put up.

Let every Union meet at the courthouse the 4th Saturday in June.

JEFFREY ALLISON, Secretary.

Zilpah, Shelby county, Ky.

Fourth of July at Cincinnati.

The Cincinnati Southern (Queen and Crescent Route) have arranged to run a special train to leave Cincinnati at 11 o'clock on the night of July 4th, running as far as Lexington, in order to enable the people living at Lexington and intermediate towns to spend the day in Cincinnati. The attractions for the 4th of July in Cincinnati this year are greater than ever before, and it is estimated that thousands of visitors will spend the day in that city. There will be three championship games of base ball between Boston and Cincinnati, one game in the morning and two in the afternoon. Coney Islands will have its usual attractions, wheel barrow races, balloon ascensions and parachute drops and its attendant ride of twenty miles on the Ohio River. The Zoological Gardens will have a concert afternoon and evening by Bell-stad's Military Band, one of the finest in the United States, consisting of 50 pieces. At the Campus, Fairs' Great Exhibition, "A Night in Pekin," will be given in the evening. There will be over 600 people take part in this exhibition, and they will burn over \$2,000 worth of fire works. There will be fire works at the Zoo, and all the hill-tops will have fire works exhibitions at night, surrounding the city with a blaze of glory. Tickets will be sold at reduced rates, good on any train. Also good returning up to and including July 7th. There will also be great attractions at Lexington and at High Bridge.

A National Event.

The holding of the World's Fair in a city scarcely fifty years old will be a remarkable event, but whether it will really benefit this nation as much as the discovery of the Restorative Nerve by Dr. Franklin Miles is doubtful. This is just what the American people need to cure their excessive nervousness, dyspepsia, headache, dizziness, sleeplessness, neuralgia, nervous debility, dullness, confusion of mind, etc. It acts like a charm. Trial bottles and fine book on "Nervous and Heart Diseases," with unequalled testimonials, free at J. W. Gayle's. It is warranted to contain no opium, morphine or dangerous drugs.

The public Schools of the city are closed and a throng of happy hearted children are at liberty to enjoy themselves as they, or their parents for them, may see fit for the next two months. The closing exercises began at the Public School building with a literary entertainment in the chapel Wednesday evening and closed with the commencement at the Opera House Thursday evening. At the commencement Thursday evening the essays of the young lady graduates were exceptionally well prepared and finely delivered. The music was first-class and the broom drill executed by sixteen young ladies in uniform was the hit of the evening.

FRANKFORT ROUNDABOUT

FRANKFORT, JUNE 18, 1892.

Base Ball.

FRANKFORT 3, VERSAILLES 1.

In base ball mythology there is a demon called "Hard Luck." This demon and his attendant imps played an important part in preventing our base ball heroes from administering a beautiful coat of shining, glistening white wash and presenting a basket filled with nine fine, round goose eggs, to the Versailles club at Versailles on Monday. Demons, you know have a habit of running athwart generous intentions.

It was in the eighth inning, after our boys had accumulated seven of the nine eggs, which they anticipated presenting to their hosts. Jeff Brown, whose former work with the stick had given no reason to suppose that he was the agent of the demon, was at the plate. Our own Penn incautiously gave him a nice soft ball, and there was a resounding crack. Dick was seen speeding toward deep center and Brown is at second, where he hesitates, fearing those wily Frankforters have another of their surprise parties in store for him. Dick is wildly threshing the grass in a mad effort to locate the ball, and Jeff, at last secures courage to run to third, where he again stops. But now nearly the whole Frankfort team is on a dead run to center field and he hesitates no longer. Gathering his speed, he dashes for the plate, and tries by a Salvo to create the impression that he has made a home run. Jeff, but that hay-field of a ball ground which did it. Without its aid you would never have reached the plate.

The game in detail was a fine one. Especially noteworthy was the Frankfort's fielding. Elting struck out sixteen men, but when the Capital City lads did hit the ball it generally landed safe. In addition, Merchant's strategic pitching kept the Versailles' hits scattered, while, on the contrary, our boys got their nice bunches. The game was as close and exciting as it could well be up to the last inning when five hits, a base on balls, and a force gave five runs, three of them earned, to the visitors.

Since their visit here the Versailles boys realized that they had a ball club to contend with and had secured the services of Elting and Jones, of Danville, the prize battery of the Blue Grass League; Brown, of Lexington, and rejuvenated the team generally, there being but three Versailles men in it; but they were com-

elled to acknowledge that their new players didn't understand base ball like our little boys.

FRANKFORT 12; SHELBYVILLE 4.

On Tuesday the Shelbyville club came up to try conclusions with the home team. One of the Shelbyville papers put it, they expected to "furnish a little amusement for the Frankfort boys." The amusement was a dismal failure, however, as the game was uninteresting from start to finish. Notwithstanding this, there were several brilliant fielding plays, by Phillips and Merchant for the home club and Goyen and Hall for the visitors. Roxy got in his usual long hit between right and center on his first turn at the bat, which yielded him three bases, and Goin and Lindsey secured three pretty hits apiece. The outfielders of the home club did not have a single chance, the visitors' hitting being so slight. The "Zebra" secured such a lead in the first inning that they took things easy and did not exert themselves at all. Merchant struck out eleven men in the six innings he was in the box, and Stagg, who finished out, struck out six. But three hits were made off Merchant and none at all off Stagg, while the locals run their total up to twelve. Alex. Goin caught Stagg in fine style.

BASE HITS.
—Tuesday's game was the Shelbyville's first of the season, and they promise to improve with practice. They have a good infield, lack team work. Goyen at short and Harrison at first are especially clever players.

—The best point about the home club is the heavy work of the players. They all know just what to do with the ball when they get it and those exasperating cases of "rattles" which used to be the features of games at Lake Park before the present club was organized are noticeably absent.

—"Wicks" Lindsey arrived home from Princeton on Tuesday night and covered third bag for the boys in yesterday's game. "Wicks" was much disappointed at the poor showing made by the Princeton team, of which he was a member, in the intercollegiate championship contest, and will endeavor to make up for it by participating in all the home boys' victories.

—Alex Goin is something of a hitter. He secured two hits in four times at bat from Elting, three hits in four from McCrooklin. As he has only played two games he hopes the list in batting, with a percentage of .525. The other players rank as follows: Hewitt (1 game) .500, Merchant .364, Stagg .304, VanDerveer and Hunt each .300, Davis .292, Newman .286, Waterman, 273, Phillips .250, H. Lindsey .200, Nelson .143.

—Weisner Lindsey says that Princeton had a Jonah. Here's hoping that Wicks didn't bring it to Kentucky in his trunk.

—Some of the Versailles sports wished they hadn't been so cocksure about it after Monday's game was over.

—The Deppens, of Louisville, and the home club played a game at Lake Park yesterday evening. It was expected to be the finest game on the home grounds so far this season, but we go to press too soon to give the result. Fitzgerald, late of the Louisville League Club, was announced to pitch for the visitors.

—Manager Stanton is trying to arrange a game with the Lexington club for next Tuesday. The Lexingtons are considered the strongest team in the State outside of the Louisville League club, and have not been defeated this season.

The readers of the ROUNDABOUT will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is CATARRH. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Hutton.

A large congregation attended preaching at Beech Ridge Sunday. Rev. John H. Burdin held forth from the 1st chapter and 18th verse of Romans. He delivered a masterly discourse and all who paid attention were edified. May he live long and be the means of winning many souls to Christ.

Tobacco setting is about over in this locality and I don't think the prospects very flattering for a big yield. The dry weather has given our farmers a chance to weed out their garden truck and corn patches.

Hutton is on a boom. She is the possessor of two grist mills, one medical doctor and a diacynth shop. Mr. Andrew Jackson Greenwell presides at the anvil, and the way he makes sparks fly is a sight.

J. A. Young has a freak of nature in the way of calf, which has a long head like a colt and eyes like a hog. It is stone blind.

W. T. Fulton has sold out his saw-mill and thresher and will hereafter devote his attention and talents to handling chickens. Willie claims that there is much more money in it.

Mr. H. T. Yount had a severe hemorrhage last week, but is seemingly better at this writing.

Quite a sensation was created at Beech Ridge Sunday, by the advent of a tall, containing belles from Frankfort and belles from Bellepoint, together with their stylish escorts, say about two to the belle. I tell you they dumfounded the lads and lassies hereabouts by their elegant and gorgeous apparel and their fascinating manners. They made things lively by waving their kerchiefs and hallooing and saluting people along the line of march. Taken all together, they were as lovely a lot of daisies as one could wish to see.

Old Greaser had his beautiful physiognomy taken last week, and the charming young widow was the first to receive one. He has a lot left which he wishes to dispose of to the marriageable widows and spinsters.

Poor Geo. Young who has been making things odorous for Miss Onie, but looked very disconsolate Sunday when she came dashing out with a city dude. George was looking his best, but didn't get a sniffle. He seemed dazed and wandered around all Sunday night, and was seen making his way home Monday morning, muttering to himself: "Oh, ever thus from childhood's hour, I've seen my fondest hopes die."

The coachman of the city tallied out to unroll his foaming team and kept the poor critters reined up to the highest notch during the whole time of services.

Little George Roberts got a sight of his humpy dumpty last Lord's

day, but the sight of the dude by her side made cold chills steal over his manly form.

I tell you now, the clod-hoppers out here are not much impressed with the idea of city dudes coming out here and monopolizing all the sweet smiles of our own dudines. No they ain't.

Oh if I could only see that tall, coming again, and overflowing with sweet-smiles like I was last Sunday, me thinks me could lay me down and die.

Remarkable Facts.

Heart disease is usually supposed to be incurable, but when properly treated a large proportion of cases can be cured. Thus Mrs. Elmira Hatch, of Elkhart, Ind., and Mrs. Mary L. Baker, of Ovid, Mich., were cured after suffering 20 years. S. C. Linburger, druggist at San Jose, Ill., says that Dr. Miles' New Heart Cure, which cured the former, "worked wonder for his wife." Levi Logan of Buchanan, Mich., who had heart disease for 30 years, says two bottles made him "feel like a new man." Dr. Miles' New Heart Cure is sold and guaranteed by J. W. Gayle, of wonderful testimonials free.
